## Experience

### Graphics Project Manager

GES - Global Experience Specialists – *Clifton NJ*

September 2019 – March 2020

- Responsible for coordinating all aspects of approval and production for graphic signage on assigned trade shows, exhibits and events
- Collaborated with account managers, layout technicians and production hubs nationwide to ensure all graphic deadlines were met

### Graphic Design Studio Supervisor

Montclair State University – *Montclair NJ*

September 2018 – May 2019

- Responsible for overseeing open studio time for fellow visual communication design students
- Assisted underclassmen with their work, offering design advice, adobe program tips and printing assistance

### Graphic Design Intern

Gravity Design Works – *Newton NJ*

December 2016 – May 2017

- Collaborated with the senior creative director on projects involving logo design, signage, brochure design, and large format printing
- Assisted with product display construction and in-store installation

### Pro Shop Clerk and Advertising Designer

Skyview Golf Club & Banquets – *Sparta NJ*

August 2014 – September 2017

- Initially hired as a Pro Shop Clerk with the responsibility of opening the shop, handling all transactions, booking tee-times, and assisting in golf outing events.
- Began offering design services to the club after gaining more experience in school. Mainly designed ads for event promotion, as well as a redesign of the club's wedding menus
